#### OPERATIONS

1. The 75th meeting of the Subcommittee on Exploitation of Foreign Language Publications was held on 27 July and was concerned with discussion and revision of the second draft of a report to the Advisory Committee. Revisions were completed and the report in final form will be going forward shortly. The next meeting is scheduled for 20 September.

2. Reference to the OTR Index prevented 73 cases of duplication totaling 1469 pages.

3. The Division is exploring the feasibility of establishing more direct contact with individual areas of the DD/P to effect more expeditious treatment of requirements and to eliminate what may be unnecessary controls, record keeping, and delays in transmittals.

4. The DD/P is studying the possibility of supplying FID more speedily with certain publication titles now subject to considerable delay in Division receipt for exploitation.

5. The first issue of the scheduled monthly Summary "Information on North Africa" appeared during the month.

A weekly report "World Press Summary on International Communist Developments" was initiated to supplant the former "World Press Briefs." This was done at request of the DD/P for greater emphasis in this field in the face of continuing developments following release of the Khrushchev speech. In support of this report, the DD/P is supplying on a current basis air-mailed press clipping from all overseas areas.

"East-West and Intra-Orbit Travel and Contacts" information is now covered in a weekly OO-W report.

6. Eastern Europe Branch reports that a marked improvement in quality and increase in quantity of information has been noted in Satellite publications: more geographic and military information and more hard figures have been especially noted.

25X1A

Arrangements have been made for the Division to receive advance copies of Hong Kong Press Monitoring Service reports to forestall possible duplication of effort.

8. Commendations:

From AD/RR, for the rapid preparation of FID Translation No. 566 "National Economy of the USSR."

From Special Assistant to AD/RR, for FID support of ORN's Economic Research Program for FY-56.
